Dear Parent/Guardian,

Your son/daughter has indicated an interest in participating in the chess program run by the Sydney Academy of Chess in 2010. This program will take place on Tuesday mornings from 8:00am – 9:00am. **This class is available for children in Years 1-6.** The term dates are as follows:

Term 4: (19th Oct – 7th Dec) Cost: $48

If your payment is not received by the day of the first lesson, your child cannot take part in the class. There will be no refunds for students who miss classes during the term.

**Why join the chess class?**
Chess is a valuable activity for children, developing their logical thinking skills, concentration and discipline, as well as being a source of much enjoyment! What better way to combine learning and fun!

**What happens at the chess classes?**
These classes include an interactive lesson and puzzles on a demonstration chess board. During the rest of the class children play games against each other, putting newly learned strategies into practice, and receiving personal feedback from the teacher. As the term progresses and the children become proficient in all the basics, the lessons will move on to more complex ideas such as strategy, middle game ideas and chess technique.
