P&C Update & Welcome
Morning Tea
(With Q&A session)

Friday, 24 February, 9.30am – AV Room
(Building C, near library)
Babies and Toddlers welcome!

We invite all parents, including Kindergarten and other new parents, to join us for morning tea on Friday, 24th February where you can learn more about the P&C and school and meet other parents.

We will provide an update on P&C news/activities and Mr Witney will present the Principal’s Report from the AGM/Monthly Meeting.

We will also have a ‘Question & Answer’ (Q&A) session, during which Mr Witney will be available to answer any questions that parents may have regarding school issues or concerns at this early stage of term.

Should you have a question, please complete the return slip below, or feel free to come along and ask on the day. You can also email your question to us at pc@eastwood.nsw.edu.au or call Christine on 0405275463 if you need interpreter assistance. Please do not hesitate to ask your question – most likely someone else is wondering the same thing!

Morning teas, such as this one are organised by the P&C as part of our parent communications initiatives and we encourage you to come along. Toddlers and babies welcome!

If you have a question for the Q&A session, please complete the form below and return to the school office mailbox by Wed 22 February:

Do you have a question for Mr Witney?
