Dear Parents

Do you have old football boots? Kids feet growing way too quickly. Donate last year’s boots to a worthy cause!

We have been approached by Central Eastwood Rugby Union Football Club to participate with them in a “Football Boot Drive”. Central Eastwood is a local rugby club fielding rugby teams in the local area in ages from under 6s to under 14s.

As part of the clubs community engagement programme, the club and more importantly, the boys, are undertaking a “football boot drive”. The idea is to collect last year’s football boots (soccer, rugby union and rugby league) that are no longer required and donate them to those who don’t have the opportunity to own football boots. The boots will be cleaned, relaced and donated this year to underprivileged boys in Fiji who have the most need. The Club has found that in many cases boys and girls grow out of their boots well before they wear out and in the absence of someone to hand them down to they don’t find a proper home. For the kids in Fiji a pair of second hand football boots is a rare luxury.

If you do have old boots (still in reasonable condition) we would appreciate if you could have your child bring them to school and drop them off in the Fiji Rugby Boots Drive 2016 Box. If you were able to clean them and put in new laces if needed it would much appreciated.

The Football Boots Drive is part of a larger initiative from Central Eastwood Rugby in which the club will be providing football jerseys and balls to the children of Fiji. Central Eastwood Rugby recognizes the invaluable support of Wayne and Teena Vaughan from McGrath Epping in this initiative.

Thank you for your support!

Central Eastwood Rugby
