

Personal Histories

24th March, 2016

Dear Kindergarten Parents,

Over the next two weeks, Kindergarten students will be discussing their personal life histories in class. To assist students to complete these tasks, we ask that you spend some time completing the short questionnaire below. **Return to your class teacher on Tuesday 29th March.**

We would also ask for all students to **bring one “Treasured Object” to school.** Examples of treasured objects could include:

- a photo of a precious moment
- a soft toy your child played with as a child
- a souvenir from a family holiday

Please do not send any expensive objects (e.g. heirloom jewellery) to school. Students will be examining these objects as sources of information into our personal pasts. **All treasured objects** will be stored by the teacher and **will be returned** by the end of Week 11.

Many thanks,

Kindergarten Teachers

Return to your class teacher on Tuesday 29th March.

Questionnaire

At what age did I first walk?	
What was my first word?	
When did I grow my first tooth?	
What was my favourite past time activity as a toddler?	
Can you tell me something amusing I did as a child?
