

Receive a **FREE** text message when your uniform is in lost property

Smart Tags now come in new school jackets and jumpers!

Dear Parents,

The school is excited to announce that over the coming weeks we will be completing a trial with RagTagd, a company that helps parents find lost property at school.

How it works

Whenever your Smart Tagged garment reaches lost property, you will receive an automated SMS (text message) notifying you that it's there, making retrieval quick and easy.

We will be organising for a seamstress to come into the school to professionally sew Smart Tags into your child's jackets and jumpers.

- 1) Please collect any of your child's **school** jumper/jackets you would like tagged, and put them inside a sturdy plastic bag.
- 2) Fill out the permission slip at the bottom of this form and firmly sticky tape it onto the plastic bag with your jumpers/jacket.
- 3) Drop it off at the hall on **Friday September 1st**, between 8.40-9.10am.
- 4) Your child's bag will be returned to them in class later that day.
- 5) Your tagged garments can then be linked to your mobile phone.

There is no cost to participate in the trial.

Please complete the permission note below and attach ***it securely to the outside of your bagged items.*** Please make sure your mobile phone number is accurate!
